Thanks, Romell.

Tim—seems like OGC might be best positioned to contribute the concurrence issue? And since process-focused will leave up to you if OFA can pitch in on the EIS schedule.

Also, nice job in threading the needle during today's briefing...

Thanks

John

A11:

I told Tim this already, but said I would send it in writing. We need 1-4 paragraphs (narrative form, not bullets) for Joel's weekly email report to the Administrator **by noon this Thursday** on the Stream Protection Rule (at Joel's request). Below is what Joel said:

Ex. 5 - Deliberative

Let me know if this is an issue. Thanks.
